

April 2026 Newsletter

Our Primary 7 children will be celebrating the Sacrament of Confirmation on Friday 17th April 2026 in St. Columb's Church, Chapel Road. Mrs Forbes' class ceremony will begin at 11.30am, while Mr Herron's class will be at 1.30pm. A photographer has been booked for both ceremonies and will be in attendance throughout.

Well done to our Primary 4 children who celebrated the Sacrament of Penance as they continue to prepare for their First Holy Communion. The First Communion will be held on Friday 15th May 2026. Mr Doherty/Mrs Anderson's class will be held @11.30am and Mrs Connor/Mrs Duffy's class will be at 1pm. A photographer has been booked for both ceremonies and will be in attendance throughout.

Families Connect Programme

We are delighted to be working alongside The Greater Shantallow Area Partnership to offer an opportunity for up to 12 families to avail of the Families Connect Programme. Here you will work alongside Mrs Laura Gallagher over the course of 8 weeks to develop skills and knowledge in helping your child at home with their learning. This is open to Parents/Guardians of Primary 1 and Primary 2 children. If you're interested please register here and we will be in touch:

<https://forms.office.com/e/Cjm5mMPjAv>

Where: Good Shepherd Primary & Nursery School, Derry Assembly Hall

Time: 1.15pm each Wednesday

When: Starting Wednesday 15th April 2026 and running each Wednesday until Wednesday 27th May 2026

Talk to: Primary 1 & Primary 2 teachers or Mrs McCafferty.

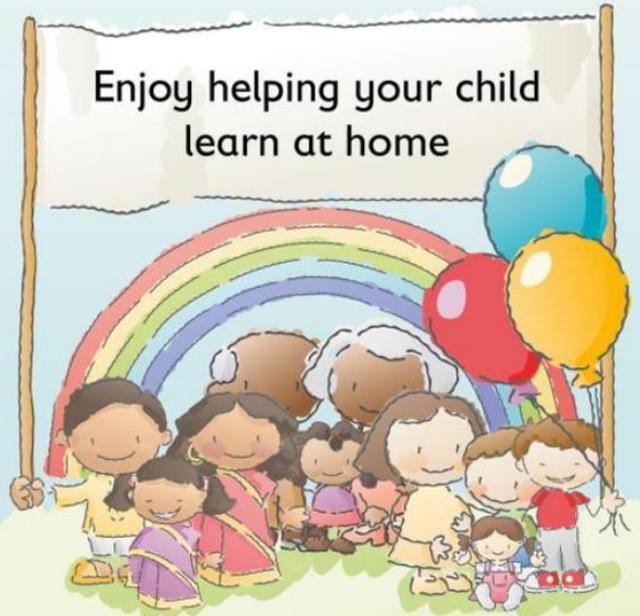

This programme is being facilitated by Mrs Laura Gallagher (Families Connect Coordinator) from the Greater Shantallow Area Partnership.

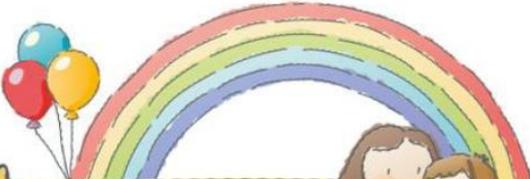

Get in touch to find out more, we would love to hear from you!

Primary 1 Mrs Chambers Class- Update

Mrs Chambers will begin her maternity leave at Easter. We would like to wish her every blessing for the next few weeks ahead. A substitute teacher will be in post until further notice. More information to follow.

Please settle any dinner money arrears on ParentPay. If you require any help or assistance with this, please get in touch with the school office.

We will be holding our Easter Split the Pot raffle on Wednesday 1st April. Make sure you have your ticket in!

How does Split the Pot work? £1 minimum entry. Place **£1 or more** into the envelope issued by the school labelled with your child's name. One ticket will be randomly chosen with half of the money raised going to the named ticket holder and the other half going to school funds. The larger the donation, the more money 'in the pot' to win! Thank you for your continued support of the school and best of luck!

Our school community raised £272.10 for the NSPCC on Friday 13th March 2026. Thank you for your generosity.

Information from the PHA:

Meningitis - know the symptoms

Symptoms of meningitis develop suddenly and can include:

Fever (over 37.5C)

Vomiting

Headache /Stiffness

Confusion

Rash

Dislike of
bright lights

Fatigue

Seizures (fits)

If you become worried about yourself, your child, or a friend, particularly if symptoms are getting worse, seek medical help urgently.

MenACWY vaccine

Pupils in year 11 and 12, are offered the MenACWY vaccine in school. The vaccine helps protect young people against four different causes of meningitis and septicaemia: meningococcal groups A, C, W and Y disease. If you're aged 25 or under, at university and haven't yet had the MenACWY vaccination, you should ask your GP for the vaccine.

There are other types of meningitis that there are no vaccines against, so it is important to still watch out for the signs and symptoms.

Meningitis and septicaemia: awareness for educational settings

The Public Health Agency (PHA) is aware of the meningococcal disease outbreak recently reported in South East England. The UKHSA is leading the response to the outbreak and there is **no increased risk** to the population in Northern Ireland. However, this incident highlights that it is important for everyone to be aware of the signs and symptoms of meningitis and the steps to take if they are concerned.

Meningococcal infection doesn't spread very easily. The bacteria can only be passed to others after a long period of close contact, for example living with someone in shared accommodation or through prolonged kissing. While meningococcal disease can affect all ages, recent outbreaks have shown that older children, teenagers and young adults, particularly those in shared settings such as schools, colleges and universities, are more likely to be affected.

Meningococcal disease is uncommon but can become serious very quickly, particularly in teenagers and young adults. Early recognition of symptoms and prompt medical assessment are essential.

A range of resources are available to support awareness:

- PHA press release: www.pha.site/MeningitisKent
- Information on meningitis symptoms and vaccinations can be found on NI Direct: www.pha.site/meningitis-nidirect
- The Meningitis Research Foundation has produced clear and accessible guidance for the public on signs and symptoms, and when to seek urgent medical advice: www.meningitis.org/about-meningitis/symptoms/young-adults/
- Leaflets on MenACWY vaccine
 - Teenage immunisations for ages 14 to 18: www.pha.site/teenage-immunisations
 - Are you aged up to 25 years and starting university for the first time?: www.pha.site/MenACWYstudentsguide

We encourage you to share or signpost these resources to staff and, where appropriate, students and parents.

If someone is unwell and meningitis or septicaemia is a concern:

- Seek urgent medical advice (via GP, Out of Hours service, or Emergency Department as appropriate)
- Do not wait for all symptoms to appear or for a rash to develop
- In an emergency, call 999

Swimming

Primary 7 will be going swimming for 10 weeks each Wednesday- beginning Wednesday 15th April.

Primary 5SM will be going swimming each Friday- beginning Friday 17th April.

Please pay via ParentPay. £20 for 10 weeks.

Ms Michelle Reid from the Education Authority will be facilitating a transitions programme with our Primary 7 children each Thursday after Easter as they prepare for post-primary school.

MISS SCHOOL = MISS OUT

WHY ATTENDANCE AT SCHOOL IS SO IMPORTANT

If a child of compulsory school age is registered at a school it is essential that they attend their school regularly and maintain a pattern of good attendance throughout their school career.

Excellent attendance at school is important to allow a child or young person to fulfil their potential.

Key Point

Young people who regularly miss school without good reason are more likely to become isolated from their friends, to underachieve in examinations and/or become involved in anti-social behaviour.

Below are just some of the key reasons why it is so important children attend school:

- To learn.
- To make new friends.
- To experience new things in life.
- To gain qualifications.
- To develop new skills.
- To build confidence and self-esteem.
- To have the best possible start in life.

CAN ATTENDANCE MAKE A DIFFERENCE TO EXAM RESULTS?

Greater than
95% Attendance

77% of pupils achieved at least 5 GCSEs including English and Maths when they attended more than 95%

77%

Less than
90% Attendance

43% of pupils achieved at least 5 GCSEs including English and Maths when they attended less than 90%

43%

Less than
80% Attendance

32% of pupils achieved at least 5 GCSEs including English and Maths when they attended less than 80%

32%

EVERY SCHOOL DAY COUNTS –

Every single day a child is absent from school equates to a day of lost learning.

Attendance percentages can be misleading.

100% Attendance	0 Days Missed	Excellent
95% Attendance	9 Days of Absence 1 Week and 4 Days of Learning Missed	Satisfactory
90% Attendance	19 Days of Absence 3 Weeks and 4 Days of Learning Missed	Poor
85% Attendance	28 Days of Absence 5 Weeks and 3 Days of Learning Missed	Very Poor
80% Attendance	38 Days of Absence 7 Weeks and 3 Days of Learning Missed	Unacceptable
75% Attendance	46 Days of Absence 9 Weeks and 1 Day of Learning Missed	Unacceptable

For some parents, 90% may seem like an acceptable level of attendance, but the reality is that 90% attendance means that your child will miss half a school day each week or 19 days of school during the school year – that's nearly 4 school weeks.

Give your child the best start in life – every school day counts.

HOW PARENTS CAN HELP

- Establish a good routine in the mornings and evenings so your child is prepared for the school day ahead.
- Make sure your child goes to school regularly and follows the school rules.
- Ensure your child arrives at school on time - not late.
- Arrange dental and medical appointments outside school hours when possible.
- Always inform the school if your child is absent due to illness - this should be followed up with a written note when your child returns to school.
- If your child is not attending school as you expect they may be putting themselves at risk - Who are they with? What are they doing?
- Do not take family holidays during term time.
- Talk to your child about school and take an interest in their school work (including homeworks).
- Attend parents evenings and school events.
- Praise and reward your child's achievements at school.
- Always support school staff in their efforts to control difficult or challenging behaviour.

Key Point

Parents of children aged 4-16 who are enrolled in school are legally required to make sure they attend.

Teaching and learning starts at 9am every day. It is important that your child is punctual for school. School gates open from 8.45am. **Breakfast club is open from 8.10am. No need to book in for the breakfast club- £1 a day per child.** **Please enter the school grounds via the Nursery pedestrian gate.** In the interests of health and safety, children should not be left unsupervised at the school gates before they open.

Safeguarding Information

In the interests of health and safety we now ask that children do not bring any shellfish products or nut products to school for either break or lunch. This includes Nutella.

Smart Watches and Mobile Phones

Please be mindful that smart watches with message facilities and cameras; as well as mobile phones, are not permitted in school.

We would like to take the opportunity to remind parents/guardians that **no cars are permitted inside the school grounds at any time** unless this has been pre-arranged with Mrs McCafferty or you are a blue badge holder- **spaces are very limited.** Please share this information with grandparents and childminders as refusal often causes

offence. If you are a blue badge holder and you avail of parking within the school grounds; **please wait to exit the school grounds until the large crowds have dispersed.** If crossing the road outside the school gates please cross with our school crossing patrol lady, Mrs McQuaid at the dropped kerb.

Please ensure that the school gates are kept clear. Cars should not be parked on the yellow zigzag lines outside the school gates at any time. Please talk to your child about general road safety. Enter and exit the school using the pedestrian gates only. Once your child is collected from school, please keep them beside you at all times. These measures are in the interest of everyone's health and safety. Thank you!
