Important **INFORMATION**

Attendance Matters!

As you are already aware it is essential that your child attends school regularly and maintain a pattern of good attendance throughout their school career.

Excellent attendance at school is important to allow children to fulfil their potential. Every single day a child is absent from school equates to a day of lost learning.

In school we have an obligation to monitor children's attendance very closely and to report attendance percentages to the Education Welfare Officer on a regular basis.

Punctuality is essential as each time a child is late to school they are marked late and when they arrive after registration has closed (09:15)- this impacts on their attendance.

If your child's attendance is causing concern, we will follow the agreed procedures in school:

- The class teacher will inform you of your child's attendance percentage (below 90%)
- If attendance continues to cause concern, then you will receive a letter from DTCP in school
- If attendance continues to cause concern, then you will be invited to a pre-referral meeting in school. Our EWO Mrs Aine Hudson may be in attendance
- If your child's attendance is 85% or below/causing concern, we are obliged to make a referral to EWS.

It should be noted that holidays must **not** be arranged during the school terms. Sufficient notice of school holiday dates is given to parents/guardians in order for holidays to be arranged during these times.

We as a school, want to help support you in improving your child's attendance in order for them to reach their full potential.

If you need to discuss any issues surrounding absences or support strategies that can be put in place to improve attendance, during the school year, please contact Mrs McCafferty or Mrs Harley at the school.

Start/End of the school day

- Nursery and Primary 1 children all have their own individual start dates. They finish early as part of their settling in period. These details will be in their induction packs given out in June. Class teachers will keep parents/guardians informed.

In order to support our school community, we will be offering afterschool supervision for children in Primary 1 (from Monday 26th September) and Primary 2 (from Thursday 1st September) **who has an older sibling in Primary 3-7 currently at the school.** This will allow for 1 family pick up. Children staying should pack a healthy snack for this time. Please let your child's class teacher know if you want to avail of this service. Children should be collected by an adult **only**, from the canteen door (beside front reception area) at 3pm if they are attending.

- Breakfast club will commence on Thursday 1st September for Primary 1-7 children, and then on Monday 26th September for Nursery children also.

I would like to take the opportunity to remind parents/guardians that **no cars are permitted inside the school grounds at any time** unless this has been pre-arranged with Mrs McCafferty or you are a blue badge holder. Please share this information with grandparents and childminders as refusal often causes offence. **Please ensure that the school gates are kept clear. Cars should not be parked on the yellow zigzag lines outside the school gates at any time.** Please talk to your child about general road safety. Please cross the road using the school crossing patrol. Enter and exit the school using the pedestrian gates only. Once your child is collected from school, please keep them beside you at all times. Preparing Your Child For the First Day Back in School

As schools begin to open to more children, parents and children may well be feeling anxious. Here's some ideas of how best to prepare.

Be Calm.

Your child will take their lead from you and be reassured if you are steady and matter of fact.

Be Curious.

These are strange times and their imagination may run away with them. Listen, and try not to dismiss or minimise their fears but validate how they are feeling – “it’s completely fine to feel like that at the moment” or “I can really understand why you would feel like that”

Be Positive.

Remind them of all the ways they have learnt to keep themselves safe: washing their hands regularly, sneezing and coughing into their elbow, not hugging others and staying in their own space.

Be Thankful.

Help your child think of things they are looking forward to: being with their friends, seeing their teacher, favourite activities but be mindful some of these may not be available for them

Be Supportive

Younger children particularly may struggle with separation anxiety and may become tearful, clingy or act out. Reassure them that you will miss them too and think of them through out the day. It might be helpful to draw a little heart on their wrist and one on yours too. You can call it the hug button and when they find they are missing you they can press the heart and know that you will be doing the same at home. Sometimes having a little object to remind them of you through the day helps but please check this out with your school first.

Be Prepared.

Support your child to be aware of changes that may have happened to their classroom environment since they were there last and rehearse any new routines that school may have shared. Rehearse and practice your ‘goodbye’ routine and create a ‘hello’ greeting for the end of the day for them to look forward to.

A Prayer for the New School Year

Heavenly Father

At the start of a new school year, we give you thanks for the work of all schools (and particularly in our own parish).

We pray for all children starting at new schools, and for those returning. Help them to explore what they can achieve, and give them confidence to play their part in shaping our world.

We pray for all those who work in schools. Care for them as they care for our children.

We pray for all governors of schools. Grant them wisdom and sound judgement, and help them to keep children's well-being at the heart of everything they do.

We ask this in Jesus' name.

Amen

I would like to thank our entire school community for their support to date. We as a school look forward to working with all those who care for the children to enable them to reach their full potential, ensuring they have a happy and safe school year ahead.

Mrs S. McCafferty
