

FOYLE COLLEGE

11th October 2023

Dear Parent/Guardian

I am writing to you as the parent/guardian of a Primary 7 pupil who has applied to sit the SEAG Entrance Assessment in Foyle College on the 11th November and 25th November 2023.

We are offering a **Familiarisation Evening** in school on **Tuesday 24th October 2023**, for one adult and the child who is sitting the assessment to attend.

Due to the number of pupils sitting the assessments at Foyle College we will be holding two information sessions on this evening.

You are invited to attend **Session 2** beginning at **7.30pm in the Assembly Hall**. It is anticipated that the session will last no longer than one hour.

The Familiarisation Evening is not a compulsory part of the SEAG Entrance Assessment system however important information regarding the arrangements for the test days will be shared with parents/guardians on the evening. Unfortunately, due to the availability of staff, this is the only date on which we can offer this facility.

We look forward to meeting you and your child on this evening.

Yours sincerely

Acting Principal
