Point**

Give your child the best start in life – every school day counts.

Please ensure that you contact the school office in the morning if your child is not able to attend school.

## Sustrans Active Travel Programme Free Bicycle Health Check

Dear Parent/Carer,

As part of the ongoing partnership between Sustrans Active School Travel Programme and Good Shepherd Primary School, we are happy to be able to offer pupils the chance to take part in a free Bicycle Health Check known as *Dr Bike!*

Donna McFeely, the school's Active Travel Officer, will be at the school on 6<sup>th</sup> November to give bikes a general health check.

A typical check involves pumping up tyres and checking brakes, handlebars, saddle and pedals. If there is time, small adjustments will be made, but this is not a substitute for a full service. A photo note will be sent to the school identifying anything on the bike that needs urgent attention.

To take part, all your child needs to do is bring their bike to school on the 6<sup>th</sup> November.

Yours sincerely,

Mrs S. McCafferty  
School Champion

Dr Bike safety check for P6 & P7 on Monday 6<sup>th</sup> November. **Register your child's bike here:** <https://forms.office.com/e/P7XJARwmyr>

As part of our ongoing work with the Sustrans Active School Travel programme we are holding a Ditch the Dark day on:

**Friday 10<sup>th</sup> November 2023**

We will be holding a special walk, scoot or cycle to school day, with the theme of **Ditch the Dark!** To raise awareness of safe travel to school as the days remain dark, we are encouraging children to cycle, scoot or walk to school looking as bright, shiny and reflective as possible.

**This is a non-uniform day for all pupils!**

Children are invited to get creative with their outfits, and even to decorate their bikes and scooters to be super bright (please ensure decorations do not interfere with the safety of the bike / scooter). The possibilities are endless – bright clothing, bike lights, glow sticks, a helmet wrapped in tin foil, fluorescent orange socks, a pink tutu, a neon green wig – be bright, brighter, or the brightest!

You are more than welcome to join the fun, and walk, cycle or scoot to school as well – perhaps in ***your*** brightest outfit!

If you have any queries, please contact the school.

Yours sincerely

Dear Parent/Carer

### **NSPCC's *Speak out. Stay safe.* programme**

I am pleased to inform you that we are participating in the **NSPCC's *Speak out. Stay safe.* Programme** this term. *Speak out. Stay safe.* is a programme for children aged 5-11 which aims to help children understand abuse in all its forms and to recognise the signs of abuse. Children are taught to speak out if they are worried, either to a safe adult or Childline.

This child friendly programme is aligned with the curriculum and consists of age appropriate virtual assemblies and supporting classroom based activities which we have reviewed. The content is delivered in an engaging and interactive way with the help of the NSPCC mascot Buddy. If you would like to know more about the *Speak out. **In the interests of health and safety we now ask that children do not bring any shellfish products or nut products to school for either break or lunch. This includes Nutella.**

### **Safeguarding Information**

We would like to take the opportunity to remind parents/guardians that **no cars are permitted inside the school grounds at any time** unless this has been pre-arranged with Mrs McCafferty or you are a blue badge holder. Please share this information with grandparents and childminders as refusal often causes offence. **Please ensure that the school gates are kept clear. Cars should not be parked on the yellow zigzag lines outside the school gates at any time.** Please talk to your child about general road safety. Please cross the road using the school crossing patrol. Enter and exit the school using the pedestrian gates only. Once your child is collected from school, please keep them beside you at all times. These measures are in the interest of everyone's health and safety. Thank you!
